

New Issues

By John Cahill

Update to details given in CN&N for Nov-Dec 2007

World Confection/Thornycroft 'Fantastic 4'

We recorded the issue as being 12 packet backs with 12 Tattoos. There have now been 20 Tattoos seen, we believe that that is the set issued. The backs are dated 2007 with ingredients in small print at the bottom of the card. Print colour blue.

Update to details given in CN&N for July-Aug 2007

Top 5 Rolling Papers 'Top 5 Facts'

To date 22 different Top 5 Facts have been seen.

Cartophilic

Yoplait Dairy Crest Ltd. 'Simpsons the Movie' (24?) + (9?)

On the reverse of the Frube box are various designs, one of which displays 21 characters to collect. The box also carries an advert for the DVD of the movie being released. The box designs include door hangers and stand up cut out characters.

Size of Frube tube when cut and flattened out 155 x 60; Size of box panel 182 x 79; dated 2007.

Chevron Limited (Texaco Petrol) 'The Peculiar Adventures of Hector' (1)

This single cut out card of Hector is given away when the garage has run out of the popular DVD's. On the reverse of the card is a new title story you can watch on line at www.hectorsroom.com. The previous issue and this card are reminders to children of the dangers they may face on their way to school etc. Card size 147 x 79; undated. DVD's are given away free when in stock.

Capri-Sun 'Ice Age 2 The Meltdown' (4)

A send-away for offer that I recently was made aware of. The send-away for items are a set of four ice moulds in the design of the four main film characters. Along with each ice mould is a card depicting the character with instructions on the reverse for using the mould. On the front of the card is an introduction to the character and his involvement with the new movie.

Characters:- Diego, Manny, Scrat and Sid. Card size 124 x 104; cards are dated 2006 but unnumbered.

Nestlé 'Milkybar Snap Cards' (36)

Included within the presentation box of Milkybar chocolate buttons is a pack of snap cards. The cards are nicely contained within a playing card type box with the Milkybar Kid depicted on the front. There are nine different designs with four cards each making up the set of thirty six. Card size 99 x 61, unnumbered and undated. The box is dated 2007.

Total Petrol 'Little Learners' Brum and the Mysterious Disappearing Zebra Crossing (1) + 1)

On a similar child safety theme, Total have issued a single sheet of six stickers. The stickers are designed to go into the story book. The book tackles various safety issues involved when crossing a busy road. Sticker sheet 210 x 148; unnumbered and undated.

Chevron Limited (Texaco Petrol) 'Glow in the Dark' safety stickers (5)

Similar theme to Hectors adventure card. The company have issued free safety stickers, which are designed to be worn on children's coats and carry safety warnings.

Each sticker is in a different colour as follows: Green - 'Be Seen'; Pink - 'Belt Up'; Orange - 'Obey Signs'; White - 'Cross Here'; Yellow - 'Wear it'. Card size (with sticker attached) 50 x 50; undated and unnumbered.

Dairy Crest Ltd. St. Ivel Utterly Butterly Spread 'UNO' Game Cards (56)

Within the cardboard packet containing the spread can be found a pack of UNO game cards. Also within the pack are the instructions on how to play the game.

There are 13 cards in four colours; Blue, Green, Red, and Yellow. There are also 4 Black cards along with 4 snack idea cards. Card size 80 x 50, unnumbered; the pack is dated 2007.

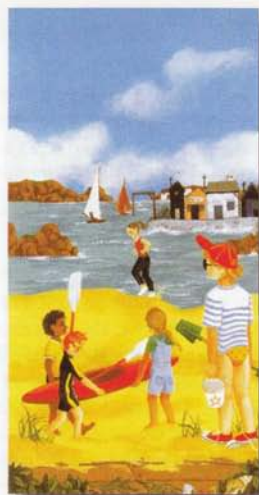

Vidal Golosinas, S.A. 'Crazy Tattoo' (?)

Issued within the colourful packets can be found tattoos and transfers of various designs.

Commercial

Tobar Ltd. 'The Endless Landscape' (24)

The 24 cards can be laid side by side in any order to create a perfectly harmonious landscape every time. The Endless Landscape or Myrioama as it was known, was a popular curiosity in the last century. This version is closely based on one published in Leipzig in the 1830's.

Issued in its playing card type box, card size 69 x 34, unnumbered, undated with plain backs.

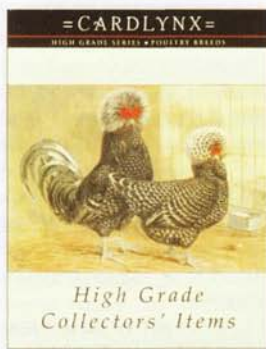

Tobar Ltd. 'Beach Endless Landscape' (24)

The 24 cards can be used in any combination to create an Endless Beach Landscape as with the previous Tobar issue. This new design has been developed and painted for the company by artist Emma Bray. Card size 85 x 44, unnumbered, undated with plain backs.

Cardlynx 'Poultry Breeds' (6)+(1)

The beautiful illustrations are by popular poultry illustrator J.W.Ludlow. The single promo card that accompanies this issue and those before it, will in time form a card set in their own right.

Card size 78 x 61, cards are numbered but undated.

David J. Hunter 'Infantry Regimental Colours' (6)x(6) +(1)

Another excellent series of military card designs, this time David has concentrated on the Infantry and has produced 36 colour plates of infantry regiments divided into 6 x 6 sets. Look out for the promo cards for each series. Card size 77 x 60; numbered but undated.

My Thanks for help with this issue to Steve Cottingham and Dave Turnbull.
