Cartophilic

BonBon Buddies

'The Simpsons' (6)

The larger cards are issued within the 'Mini Golden Cookies' box with the Simpsons logo and colours. There is no advertising on the box to indicate the cards are present and it was only by chance that they were discovered.

The cards take the form of a push out make and stand figure. The cards are plain back and are unnumbered. At the foot of each character is the Fox logo and are there dated 2007. Card size 167 x 99, with rounded corners.

Thornycroft Ltd. 'The Amazing Spiderman' (30)

This is another series of cards printed on the reverse of the candy stick packet. Each packet has a printed number situated on the top left tag. I have stated that the set consist of 30, that is to say some of the cards are printed more than once but on different colour and front design packets. The option is always there to cut the Action Scenes from the packet, that way there are fewer pictures to collect. The candy pack includes an Action Scene Tattoo but they are a repeat of the previous issue.

Card size if cut from packet 60 x 48.
